Dear friends of recreational tennis,

The traditional 29th. TREF (Tennis Recreation European Festival) will take place in Rovinj from 02 September to 09 September 2023.

Villas Rubin tourist complex in Rovinj, that provides excellent conditions for competitions and stay, is the venue of this year's TREF.

The organisation is managed by the Organizing Committee.

The **29th TREF** programme consists of:

A) Singles event

Men

Under 45

From 45 to 55

Over 55

Women

one category

B) Doubles event

Men

Mixed

C) After the registration, the participants are divided in age groups and into groups of six players or pairs taking into consideration their quality and skill. The relevant criteria for division is the success achieved at previous TREF competitions. The players who participate for the first time at TREF are divided into the weakest group unless they express a wish to play in stronger groups or this is recommended by the group leader. The registration and payment of a fee ensures to each participant participation in only one event. The participants will take part in a total of five official matches and one out of competition. For this out of competition match, the participants choose their partners and time of the match.

The participation in doubles event will be possible if the organiser provides the conditions.

The registration is made upon arrival until 8 p.m. The participation in doubles event costs **15 € per player.**

The match lasts 75 minutes at most (including warming-up and tennis court maintenance) or until one of the players wins 12 games. If there is a deuce and the time ran out, then a winning game is played in the presence of the competition leader.

The match must start 15 minutes at the latest after the scheduled time. The player who is late, loses the match by 7:0.

The group ranking is determined by a total of points won (2 for victory, 0 for defeat). If the score of two or more players is tied, their mutual match is decisive

D) Participants in TREF receive the "Diploma", and for the first three places in each group: gold, silver and bronze medal.

The organizer provides for the most successful players modest prizes.

For the participants will be organized opening ceremony and closing ceremony with a cocktail.

E) The 29th TREF will be held on the tennis courts of the Villas Rubin tourist resort. Participants secure the balls and the choice is negotiated or drawn.

F) The recreation is aimed at carrying out activities and the necessity of a contemporary man to play and move and therefore the motto of these festivals is:

**AN OPPONENT IS YOUR FRIEND
JOINT REFEREEING
DEFEAT IS NOT A SHAME**

G) The TREF participants are not insured with insurance companies and thus they participate at their own risk.
